**Natalie Ledwell**  
(USA)

Transformational coach who is also empowering millions of people across the globe with 'Mind Movies'.

Over the course of the three days, opportunities abound for attendees through networking and connecting with like-minded participants. Our exhibitor space showcases supporting products, services and the ability to meet authors during scheduled book signings. The event is fully catered so you can immerse yourself entirely and maximise your time at our venue. Participants will leave the weekend inspired with practical methods to implement in their area of interest, whether it is in their own home, workplace or community.
